

Parking Guidelines

Below are procedures about the morning drop off and afternoon pick up at Creekside Elementary. We have also attached a diagram. We ask that you please follow all parking and traffic laws to assist with keeping our students safe. Thank you!

Morning Procedures

- Follow the one way signs and drive slowly when in the parking lot.
- When entering the parking lot there are two lanes that you may use to drop off your student(s). Please pull **all the way to** the front of the school. The sign says to pull all the way to the Creekside Cougar. **Do not stop** at the Football Field area. This affects the flow of traffic and creates an unsafe situation for our students.
- If you need to stop at any time, please park your car in the parking lot. You may not stop or park in the fire lane. This is for student drop off only.
- Staff members are available between 7:50am and 8:00am to assist students. Please follow our staff directions. We are there to keep kids safe.
- If you arrive after 8:00am, please park your car and come into the school to sign your child in.

Afternoon Procedures

- Follow the one way signs and drive slowly when in the parking lot.
- When entering the parking lot there are two lanes that you may use to pick up your student(s). We ask that you please wait in line and use the two pick-up lanes as **students may only be picked up from the front of the school.**
- If you need to stop at any time, please park your car in the parking lot. You may not stop or park in the fire lane. You may not stop in the lower parking lot. This is for parking only.
- Please do not ask students to cross the parking lot, go to the lower parking lot, or cross the street to meet you. For the safety of all children, we ask that you use the two pick-up lanes and pull all the way to the front of the school. Due to the volume of cars at the end of the school day, we realize this requires a few minutes of waiting. Thank you for your patience.
- Staff members are available between 2:45 and 3:00pm to assist with getting students to cars. Please follow our staff directions. We are there to keep kids safe.

The safe arrival to and departure from school is important to us and we thank you for your support.

Respectfully,

Kelly Sommerfeld
Principal, Creekside Elementary
