## Tuesday, September 12, 6-7:30 p.m. Creekside Gym

Dads, granddads, uncles, step-dads and adult brothers . . . this is your chance to have a night out with your kiddo in a fun atmosphere, grab free dinner, and find out how to make a difference for your son or daughter and for Creekside.

#### **Not sure how to get involved with your kid's day?**

*Come learn how we have created an important way for Dads to make a meaningful difference. ICARE Dads is part of WATCH D.O.G.S.®, an innovative program in schools across America. The program provides an opportunity for fathers and father-figures to make a positive difference in their students' lives at school and provide an extra set of eyes for our students' safety.*
