

THE SECRET TO GETTING INVOLVED WITH YOUR KID'S SCHOOL LIFE **(AND be a male role model / extra set of eyes for Creekside kids at the same time)**

WHY DADS?

We know Dads want to be involved with their kids. But do you ever feel like you don't know how to plug into your kid's day in a meaningful way? Become a Creekside ICARE Watch DOG and learn how we are creating a unique and important way for Dads to make a meaningful difference.

WHAT IS IT?

This innovative program is being used by schools across America and provides an opportunity for fathers and father-figures to make a positive difference in their students' lives at school. Spend time this year coming at the school to be a positive male role model and to provide an extra set of eyes and ears for our students' safety.

WHAT DO I DO?

It's a day a school – your kids announce you as the Watch DOG of the day, and then you are into everything from patrolling the grounds, playing with kids at recess, eating with your kids, checking that all the school doors are locked, talking with the kids in Assets class, being on guard when the busses arrive and depart – and everything in between.
